Document Reviewed (include title): **WAC 458-20-260 (Oil spill response and administration tax)**

Date last reviewed: **7/28/99**

Current Reviewer: **Anne Solwick**

Date current review completed: **9/17/01**

Is this document being reviewed at this time because of a taxpayer or association request? (If "YES", provide the name of the taxpayer/association and a brief explanation of the issues raised in the request). YES ☐ NO ☒

Type an "x" in the column that most correctly answers the question, and provide clear, concise, and complete explanations where needed.

1. Briefly describe the subject matter of the rule(s):

Chapter 82.23B RCW imposes an oil spill response tax and an oil spill administration tax upon the receipt of crude oil or petroleum products at a marine terminal in this state. This rule explains the application of these taxes, the available exemptions, and tax-reporting procedures.

2. Related statutes, interpretive statements, court decisions, BTA decisions, and WTDs:
(Excise Tax Advisories (ETAs), Property Tax Advisories (PTAs), Property Tax Bulletins (PTBs) and Audit Directives (ADs) are considered interpretive statements.)

YES	NO	
	X	Are there any statutory changes subsequent to the previous review of this rule that should be incorporated?
	X	Are there any interpretive statements not identified in the previous review of this rule that should be incorporated? (An Ancillary Document Review Supplement should be completed for each and submitted with this completed form.)
	X	Are there any interpretive statements that should be repealed because the information is currently included in this or another rule, or the information is incorrect or not needed? (An Ancillary Document Review Supplement should be completed for each and submitted with this completed form.)
	X	Are there any Board of Tax Appeal (BTA) decisions, court decisions, or Attorney Generals Opinions (AGOs) subsequent to the previous review of this rule that provide information that should be incorporated into this rule?

	X	Are there any administrative decisions (e.g., Appeals Division decisions (WTDs)) subsequent to the previous review of this rule that provide information that should be incorporated into the rule?
X		Are there any changes to the recommendations in the previous review of this rule with respect to any of the types of documents noted above? (An Ancillary Document Review Supplement should be completed if any changes are recommended with respect to an interpretive statement.)

If the answer is “yes” to any of the questions above, identify the pertinent document(s) and provide a brief summary of the information that should be incorporated into the document.

The previous review of this rule recommended in part that certainty of export regarding sales of jet fuel to airlines be incorporated into the rule consistent with Det. 97-093ER, 17 WTD 162. After thoroughly discussing this issue with industry representatives the conclusion is that the current language of the rule provides sufficient guidance and direction.

3. Additional information: Identify any additional issues (other than that noted above or in the previous review) that should **be** addressed or incorporated into the rule. Note here if you believe the rule can be rewritten and reorganized in a more clear and concise manner.

None.

4. LISTING OF DOCUMENTS REVIEWED: The reviewer need identify only those documents that were not listed in the previous review of the rule(s). (Use “bullets” with any lists, and include documents discussed above. Citations to statutes, interpretive statements, and similar documents should include titles. Citations to Attorneys General Opinions (AGOs) and court, Board of Tax Appeals (BTA), and Appeals Division (WTD) decisions should be followed by a brief description (i.e., a phrase or sentence) of the pertinent issue(s).)

Statute(s) Implemented: **None**

Interpretive statements (e.g., ETAs and PTAs): **None**

Court Decisions: **None**

Board of Tax Appeals Decisions (BTAs): **None**

Administrative Decisions (e.g., WTDs): **None**

Attorney General’s Opinions (AGOs): **None**

Other Documents (e.g., special notices or Tax Topic articles, statutes or regulations administered by other agencies or government entities, statutes, rules, or other documents that were reviewed but were not specifically relevant to the subject matter of the document being reviewed):

4. Review Recommendation:

- ☒ **Amend**
- ☐ **Repeal** (Appropriate when repeal is not conditioned upon another rule-making action.)
- ☐ **Leave as is** (Appropriate even if the recommendation is to incorporate the current information into another rule.)
- ☐ **Begin the rule-making process for possible revision.** (Applies only when the Department has received a petition to revise a rule.)

Explanation of recommendation: Provide a brief summary of your recommendation, whether the same as or different from the original review of the document(s). If this recommendation differs from that of the previous review, explain the basis for this difference.

If recommending that the rule be amended, be sure to note whether the basis for the recommendation is to:

- Correct inaccurate tax-reporting information now found in the current rule;
- Incorporate legislation;
- Consolidate information now available in other documents (e.g., ETAs, WTDs, court decisions); or
- Address issues not otherwise addressed in other documents (e.g., ETAs, WTDs, court decisions).

The previous rule review recommended amendment for a number of reasons. With the exception of the suggested change regarding certainty of export regarding jet fuel, I concur with the previous suggestions. I further note that per subsequent discussions with industry representatives the reasons listed for amending in the original rule review have been developed and refined.
